Yearbook Dedicatee

Tamie Sue Harrell Ramsey

March 22, 1967- August 12, 2022

Grief never ends, but it changes. It's a passage, not a place to stay. Grief is not a sign of weakness, nor a lack of faith. It is the price of LOVE. I want to add that the stronger and deeper the love, the stronger and deeper the grief!

In August of 2022, our world was ROCKED, when Tamie passed away. The moment she left this world, our world changed. We lost one of the best and a loss like Tamie Ramsey is hard to come back from. She left her mark on everything she did! Whether it was being a wife and mother, sister, daughter, aunt, coach, church leader or temple worker, Tamie did it with passion, respect and love. The stories that have emerged the last few months have been evident. The messages to her family on social media, cards and phone calls, proved that she was truly an angel here on earth.

Tamie came from a very different culture and upbringing. She was the youngest of 10 kids and came from a quiet, small farming community. She was shy and didn't always have the self confidence that most of us knew her to have. When she met Kevin and they began their love story, she grew and she changed. She emerged as a beautiful butterfly from her small cocoon and she began touching the lives of those all around her.

Tamie and Kevin had a beautiful love story. It wasn't perfect and it wasn't always easy, but together they fought for it and made it work for 37 years. Tamie's legacy from that marriage is 3 amazing kids and 11 beautiful grandkids. She loved them all so much, but those grandbabies help her heart.

Tamie also had a legacy from her time spent at WHS as a Cheer and Pom Coach. She loved "her girls" and even had a few boys cheer and dance under her. She was passionate about her position and not only "coached" them on the dance floor, but had strong relationships with most of them. They trusted her, looked up to her, and shared a glimpse of their lives with her. She respected them and fought for them, especially the ones that were struggling with difficult home lives and situations. She taught them life skills and shaped them into becoming better adults. Some struggled with money for camps and uniforms and she always helped. She never made them feel "less than" and she was always discreet about it. When they made mistakes, she did what she had to do to follow policy, but they always knew she did it out of love. The best way to witness her legacy is by seeing how many of her girls have entrenched themselves back into the Bulldog Spirit and traditions as coaches, parents and supporters. They are symbols of what she stood for and her influence will forever be a part of her former athletes.

Tamie served in her church and for many years served the women of the church. She served with love and compassion and again, never judged anyone's situation. She helped however she could and if it was more than she could do, she found the resources and help that they needed.

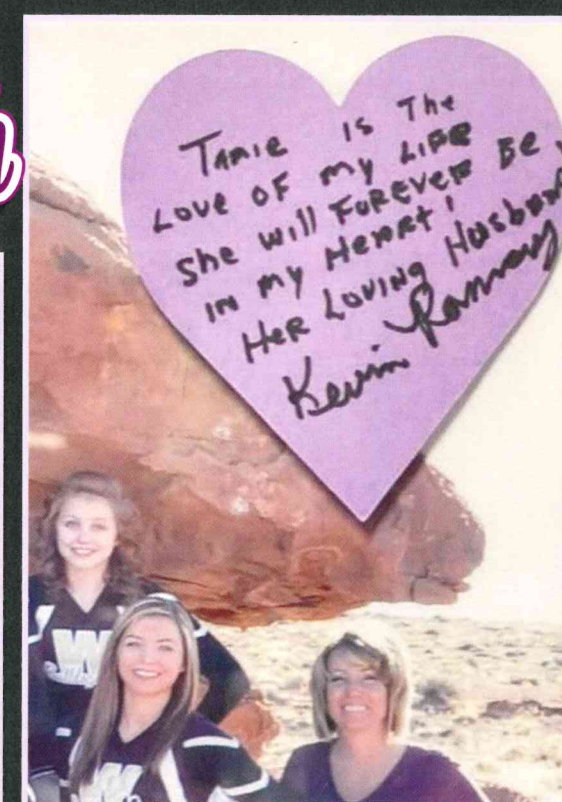

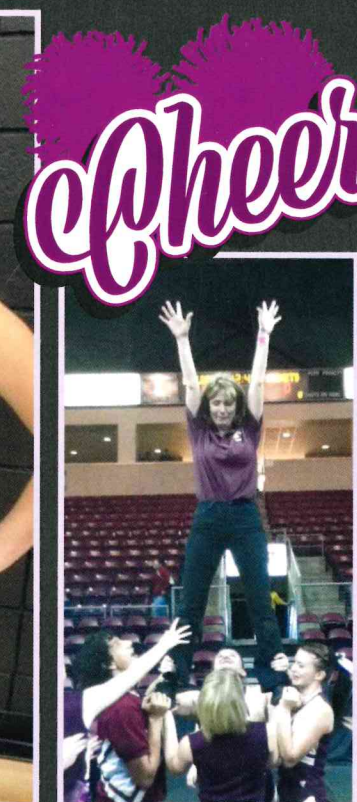

Tamie taught us about service. Her motto was "If you see a need, fill a need." Tamie always counted her blessings, but she also made her blessings count.

This quote sums Tamie up - "She was beautiful, but not like those girls in the magazines. She was beautiful for the way she thought, she was beautiful for the sparkle in her eyes when she talked about something or someone she loved. She was beautiful for her ability to make other people smile, even if she was sad. No, she wasn't beautiful for something as temporary as her looks, she was beautiful deep down to her soul".

I would like to challenge all of you to "live like Tamie did and love like Tamie did". If you see a need, fill a need and remember small and simple acts of kindness are often just what a person needs to give them the strength to keep going.

Our family will forever be grateful for all the love shown to us when Tamie passed away. We want to thank the staff at WHS for everything they have done and for continuing to keep Tamie's name and legacy alive. The outpouring of love has been phenomenal and we feel so blessed. Thank you for honoring Tamie and her legacy by choosing to dedicate the 2022-2023 WHS yearbook to her. She would love this but she would also think it was too much. That's just who she was. She was one that served and loved from the background and didn't like people to make a big deal. We love her, we miss her and losing her has changed our lives. We love it when friends and family share stories about her.

Thank you again from the bottom of our hearts. The family of Tamie Ramsey.
